Window Wrapper Component

Button component (search) List Items Component (Read)	
To-do Item component (onUpdate, onDelete, onComplete)	
To-do Item component (onUpdate, onDelete, onComplete)	
To-do Item component (onUpdate, onDelete, onComplete)	
Add Todo	
New Todo Title	Button component (Add)

Assumptions:

- Double click in order to achieve more clean layout
- Completed not available when creating new (not intuitive for a new to-do task)
- Search button pops a text-field
